precious little
moments
of the everyday.**

What makes our scissors unique?

Orange scissors, now a classic,
has always represented the peak of
technological development in terms
of production methods and materials.

Only the best materials

Our scissors are made of high quality and durable materials: Scissors have superior cutting performance and legendary durability.

Comfort & fit

Our scissors have the best ergonomics.

Production

Most of the scissors are made in Finland.

Scissors

A close-up, high-angle shot of a person's hands using scissors to cut a piece of paper on a wooden table. The person is wearing a green long-sleeved shirt. The background is slightly blurred, showing a white cloth and a wooden surface. The lighting is soft and natural, highlighting the texture of the paper and the wood.

We invite you to experience the joyful feeling of empowerment, achievement and self-expression when using our tools. After all, what really matters in life are the precious little moments of the everyday.
